GET THE JH INSIDER APP
Check the weather & snow reports, webcams, trail conditions and lift status. Track your vertical and use quick connect button to reach ski patrol for emergencies.

WEATHER FORECASTS
Don't use the weather app on your phone. You'll need our local Mountain Weather forecast. Pair that with the Teton Forecast from Bridger-Teton Avalanche Center, and you'll be in the know to see how to dress for the day.

SKI GUIDES
Make the most of a powder day and hire a ski guide for early tram privileges, or go further and explore the backcountry with a guide. Either way, both will give a great perspective on where to ski. Book at (307) 739-2779.

WAFFLES AT CORBET’S CABIN
(TOP OF THE TRAM)
Beloved and yummy for all ages. Served until 2:30 pm.

LUNCH AT PISTE
Enjoy a seated lunch at the top of the Bridger Gondola. Book early on OpenTable or you might not get a table!

WHAT’S IN YOUR SKI JACKET?
As the safety message reads on the tram dock, “Give this mountain the respect it demands!” Click here.

APRÈS-SKI
Go old-school at the Mangy Moose, still my favorite. Enjoy sunny days on the deck at the Handle Bar, partake in fondue at the Alpenhof, where the ski-schoolers hang out. The Spur offers a laid-back, family-oriented setting, while the new Bar at Continuum is more contemporary.

HELI & CAT SKIING
Take it up a few notches and have an epic day either heli-skiing or cat skiing at Grand Targhee.
THINGS TO DO

ICE SKATING
Skate on the Teton Village commons, the Town Square or at Snow King Sports & Event Center.

NEED TO DO
See Yellowstone or take a half-day trip to Granite Hot Springs (my favorite).

PARAGLIDING
Tandem paraglide off Rendezvous Mountain, great for all ages.

SNOWMOBILING
This is not running through fields of powder, rather an interpretive trip in Grand Teton National Park. It's fascinating, educational and eye-opening to winter ecology.

SLEIGH RIDES
Have an authentic experience with AJ DeRosa’s Vintage Sleigh Rides and dinner in his Teepee Camp along the banks of the Snake River. Alternatively, take the family for a Western steak dinner with Mill Iron Ranch.

SNOWSHOEING
The kids love both the tubing and mountain coaster at Snow King.

TUBING & MOUNTAIN COASTER

WILDLIFE TOURS
Take a morning off from skiing, rest the legs.

DOG SLEDDING
This is the place to do it; with veteran mushers from Alaska’s Iditarod race, you’ll have a once a lifetime experience!

EXPLORE THE TOWN SQUARE
Experience the elk antler arches, wooden boardwalks, restaurants and shops.

ELK SLEIGH RIDES
Experience the largest elk herd in North America up close.

LEARN TO NORDIC SKI
Perhaps downhill skiing is behind you now; move on to learning how to cross-country and skate ski at Teton Pines. A perfect way to spend part of your day while others are on the ski hill.

NATIONAL MUSEUM OF WILDLIFE ART
This is our nation’s wildlife museum, thus it deserves a visit.
WHERE TO EAT

SNake River Grill
My favorite for fine dining. Book early or you won’t get in.

Blue Lion
It’s a holdover classic, serving a rack of lamb to die for.

Snake River Brewing
Jackson’s first brewpub, with something for everyone on the menu. My kids’ favorite place to eat.

Persephone
French-style bakery and coffee shop. Serving breakfast and lunch.

Il Villaggio ‘Osteria’
Cozy, casual and family-friendly; house-made pastas to fish.

Piste Mountain Bistro
Table-service lunch at 9,095’, top of the Gondola. Make a reservation.

Teton Thai
Small venue and big on taste. Get takeout if they are too crowded.

The BunnerY
Best breakfast in town; take a pie to go. Housemade granolas, including their signature OSM (oatmeal, sunflower and millet) blend.

Persephone-Aspens
French bistro whose dishes are infused with Mediterranean accents.

Nightlife
Two-step the night away at the Million Dollar Cowboy Bar and/or the Silver Dollar Bar (close enough to walk from one to the other). Don’t miss “Church” on Sunday night (6-10 pm) at the Stagecoach Bar in Wilson.
